Junior Delhi School®

Great Place To Grow

**SESSION 2026-2027**

## CLASS UPPER K.G

# Glimpse for the Month Of

# Dazzling December

# Welcome Dear Parents!

We are delighted to continue our joyful learning journey with our little stars through the magical month of **December**!

As our little learners grow more confident, curious, and independent, we will continue to nurture their communication skills, creativity, imagination, social interaction, and positive classroom habits through exciting, play-based, and hands-on learning experiences.

This month's theme – **"Christmas Carnival – A Magical World of Joy & Celebration"** – will introduce children to the wonderful spirit of Christmas. Through festive stories, cheerful rhymes, Christmas carols, role play, art and craft, fun games, and creative activities, children will explore the magic of Santa Claus, Christmas trees, reindeers, snowmen, stars, and gifts.

Along with festive fun, children will learn the beautiful values of **love, kindness, sharing, caring, and togetherness**, making their learning journey even more meaningful and memorable.

## A Gentle Note to Parents

Your support is essential during the settling phase.

Kindly:

✔ Encourage your child to come happily to school

✔ Maintain a positive goodbye routine

✔ Check and sign the school diary daily

✔ Ensure punctuality
